Candidates obtaining the required grade in an examination shall have their names placed on an eligible list, providing they meet all requirements for the class for which they were examined. The placement shall be in the order of their final earned grade (including veteran or employee preference). Candidates of equal standing at the completion of all testing shall be certified as a tie score and all such candidates shall have their names placed on the eligible list as a tie.

10.02 Effective Period - Extension. An eligible list resulting from either an entrance examination or a promotional examination shall be effective for one year from the date of certification; provided, however, that the Board may, before the expiration period, extend such eligible list.

10.03 Termination of Eligible Lists. 1. Persons whose names were on a terminated eligible list shall be treated as if their names were never on such list. They must compete in a new examination process to gain a place on a new eligible list.

10.04 Waiver of Appointment. An eligible on any list who has been certified for appointment may apply in writing to the Board for approval to waive the appointment, stating the reasons for the requested waiver. If the application is denied, the eligible's name shall be

removed from the list; if approved, the Board shall determine the future placement of the eligible's name on the list.

10.07 Effect of Removal, Withholding or Restoration. Whenever an eligible is removed from the eligible list by the Board, notice of such removal shall be mailed to the applicant. The removal or withholding of a name shall automatically advance all of the names below it on the eligible list. MISCELLANEOUS

14.01 Temporary Appointments. After the Board approves that such action is necessary, the Chief of Police may, at his own discretion, make temporary appointments to positions within the Department in order to prevent a stoppage of public service or to meet emergencies. Such appointments will remain in force no longer than sixty (60) days, or until an eligible list is established, whichever occurs sooner.

14.02 Physical Examination at Request of Appointing Officer. Whenever the appointing officer, from his personal observations, or from information received from any source whatsoever, believes that an employee has contracted an ailment or suffered any disability which may in any substantial degree interfere with the performance of his duties as an employee of the City of Bakersfield, or endanger the safety and life of fellow employees, said appointing power may require that such employee pass a physical examination given by the City physician as provided in Section III, A,B,C, City of Bakersfield Medical Examination Instruction and Standards, and based upon the duties of his position.

1. Notice to Employee - Physical Examination: Whenever the appointing power determines that an employee is to be given a physical examination, he shall give written notice to the Board; said notice to contain the name of the employee, the position held by him, and the department in which he is working.

2. Charges May Be Based on Medical Report: The report of the City physician shall be filed with the appointing power. If the employee fails to pass said examination or if the appointing power determines from the medical report that the employee suffers from some ailment or disability which may in any substantial degree interfere with the

The charges shall contain a copy of the report of the City physician. The employee so suspended or dismissed shall have the right of appeal, as provided in the City Charter and these Rules.

14.03 Duty Assignment. The assignment of a person to a position or duty from one division to another within the classification he currently holds is the prerogative of the Chief of Police. RULE 15

DISCIPLINARY ACTION

15.01 Authority to Discipline. The Chief of Police has the authority to take disciplinary action.

15.02 Types of Disciplinary Action. The disciplinary actions, subject to appeal to the Commission, are discharge, demotion or suspension for a period greater than thirty (30) days. Any appropriate combination of the preceding may be used. Any other disciplinary action may be taken by the Chief of Police without the right of appeal to the Civil Service Board. Disciplinary actions shall be effective immediately upon personal notice to such employee. If such employee cannot with reasonable diligence be found in the City of Bakersfield, or when the employee is absent from duty without leave, service of a written statement upon such employee mailed to his last known address is effective in lieu of personal notice.

15.03 Suspension for Definite Time. As disciplinary measure, the Chief of Police or his authorized representative may suspend any employee for a period not exceeding thirty (30) days. Such action shall effect the temporary separation from the municipal service of an employee without compensation or accrual of employee benefits for the period of time designated. Such action by the Chief of Police cannot be appealed to the Civil Service Commission.

15.04 Suspension Pending Investigation. The Chief of Police or his authorized representative may suspend without compensation any employee who may be subject to disciplinary action pending further investigation. An employee suspended pending such investigation may be subject to such suspension for a period not to exceed ten (10) days unless during that period he is discharged or suspended and served with a written statement of

such disciplinary action. In the event the investigation develops in employee's favor, and no such disciplinary action is taken, the employee shall be reinstated to duty with accrued salary and other accrued benefits.

15.05 Written Charges. For discharge, demotion or suspension for a period greater than thirty (30) days, the Chief of Police shall prepare or cause to be prepared written charges which are set forth clearly and with such particularity as shall enable the employee to understand the charges made against him and to answer the charges. The written charges shall be prepared with ten (10) days after the employee has been notified of the disciplinary action initiated by the Chief of Police. The written charges shall be filed with the Civil Service Board. Any employee against who written charges are filed shall be informed that he has the right to answer such charges and demand a hearing before the Civil Service Board, and that he is entitled to be represented at such hearing by an attorney at his own expense.

15.06 Service of Written Charges. The disciplined employee shall be served personally with a copy of the written charges; provided that if he cannot with reasonable diligence be found in the City of Bakersfield, or when he is charged with absence from duty without leave, then a copy thereof may be mailed to his last known address.

15.07 Right to Answer and Demand Hearing. Any employee served with written charges may file with the Civil Service Board, within ten (10) days of the service upon him of the written charges, a written Answer to such charges and a Demand For Hearing. Failure to answer said charges and to demand a hearing within then (10) days from the date of service of the written charges shall be an admission of the charges and a waiver of hearing, whereupon the Board shall find the accused employee guilty as charged, and the disciplinary action shall be upheld and confirmed. Where the employee has been suspended pending investigation,

the disciplinary

action shall be effective as of the date of his suspension.

15.08 Suspension Pending Hearing. In the event that written charges for discharge are to be filed against an employee, the Chief of Police or other authorized representative may suspend the person accused pending the filing of the charges. Within a reasonable time after such suspension, and in any event within ten (10) days after such suspension, written charges shall be filed and served as stated in Sections 15.05 and 15.06. In the event that the employee files an Answer and Demand For Hearing as stated in Section 15.07, such employee shall continue to be under suspension without compensation until the Civil Service Board reaches its decision.

15.09 Causes For Disciplinary Action. Each of the following shall constitute grounds for disciplinary action:

1. Fraud in securing appointment or promotion.
2. Incompetency. Among other things, incompetency shall be deemed to include, but not limited to: any permanent or chronic physical or mental ailment, affliction, or defect which incapacitates any employee for the proper, safe and efficient performance of the duties of his position. Incompetence shall also be deemed to include the use or possession of any substance, the use or possession of which is a crime under the Health and Safety Code.

Due to public safety considerations, and due to the fact that all personnel in sworn positions are subject to reporting for duty at any time when a public emergency arises, it shall be deemed neither a defense nor a mitigating factor that the use or possession of the

controlled substance for which the individual is charged under this section occurred during a non-duty period.

3. Inefficiency.
4. Inexcusable neglect of or inattention to duty.
5. Insubordination.
6. Dishonesty.

10. Conviction of a felony or conviction of any crime involving moral turpitude.

A plea or verdict of guilty, or a conviction following a plea of nolo contendere, to a charge of a felony or any offense involving moral turpitude is deemed to be a conviction within the meaning of this section.

by the Police Department, or violation of the Peace Officers' Code of Ethics, or failure to perform the duties of his position or to observe the Rules and Regulations, General Orders, or standard operating procedures of the Police Department in relation thereto.

It shall be the duty of every employee of the Police Department to maintain his physical condition so as to conform to the physical standards established for his position, and failure by any such employee to so maintain his physical condition shall be deemed a failure to observe the established Rules and Regulations in relation to his position within the meaning of this rule.

19. Any conduct or behavior of an officer either during or outside of duty hours which, if known, would undermine the confidence of the community in the Police Department.

15.10 Designation of Parties. The person filing the charges shall be designated as the complainant, and the employee against whom the charges are filed shall be designated as the accused or as the defendant.

15.11 Setting Date for Hearing. Within ten (10) days after the written Answer to the charges and Demand For Hearing have been filed with the Civil Service Board, such Board shall set a time, date and place for a hearing of such charges. Not less than five (5) days notice of such hearing shall be given to the complainant and to the accused or to his attorney at the last known address of each of such persons, and upon the date so fixed, they shall attend the hearing and may be heard and produce witnesses on their behalf.

15.12 Exchange of Names of Witnesses. At least five (5) days before the time set by the Board for hearing such charges, the complainant shall furnish to the defendant, the names and addresses of all witnesses who are to be called to testify against the defendant at such hearing; and the defendant shall furnish to the complainant, or to the Board for the use of the complainant, the names and addresses of all witnesses who are to be called to testify in behalf

of the defendant at such hearing. No witnesses except those whose names are furnished shall be permitted to testify at such hearing, except that upon a proper showing made, the Board may permit the testimony of additional witnesses.

15.13 Discovery. After the accused files an Answer and Demand For Hearing, either party, upon written request to the other party made at least ten (10) days before the hearing, is entitled to obtain the names and addresses of witnesses five (5) days before the hearing, or as soon as known thereafter if not known five (5) days before the hearing, such names and addresses including, but not limited to, those intended to be called to testify at the hearing; and to inspect and make a copy of any of the following in the possession or custody or under the control of the other party:

1. Any written statements of witnesses then proposed to be called by the party and of other persons having personal knowledge of the acts, omissions or events which are the basis for the disciplinary action.
2. Any written statement, reports or test results which the party then proposes to offer in evidence.

The Trial Board may, in its discretion and upon showing of good cause, allow either party to offer matters into evidence when compliance with the above discovery has not been made or completed.

Interrogatories shall not be permitted.

Depositions will only be permitted upon order of the Trial Board, and only where the witness lives outside of the county where the hearing is being held, or is in some manner incapacitated from attending the hearing. Any party requesting such an order must file a verified petition setting forth the name and address of the witness whose testimony is desired;

a showing of the materiality of his testimony; and a showing that the witness lives outside of the county or is incapacitated to such a degree that he cannot attend the trial. The cost of the deposition shall be borne by the party taking the deposition.

15.14 Failure to Appear at Hearing. If the accused shall fail to appear, either personally or by his attorney, at the time and place described in the notice for the hearing, or any time after the commencement of the hearing, and if it shall appear that the notice was duly served, the Board may dismiss the appeal, and the discharge, suspension, reduction or demotion of the accused shall thereupon be deemed final.

CIVIL SERVICE BOARD AS TRIAL BOARD - CONDUCT OF HEARING

16.01 Trial Board. For the purpose of hearing and determining the validity of the charges made against an officer or member of the Police Department, the Trial Board shall be the Civil Service Board. Such Board shall have the authority to make orders of continuance and consolidation or severance of hearing.

16.02 Hearing. Unless a public hearing is requested by the accused employee, it shall be discretionary with the Trial Board whether to hold a public hearing or a closed hearing.

16.03 Hearing Officer Optional. A Hearing Officer may be appointed by the Trial Board to preside over the proceedings and to rule on matters of procedure, including the admissibility of evidence. The Hearing Officer shall exercise such control over the proceedings as is reasonable and necessary. The Hearing Officer will not participate in deliberations on the charges. The Hearing Officer shall be a member of the State Bar of California.

16.04 Right of Accused. When the Civil Service Board is sitting as the Trial Board, the defendant shall attend, either personally or by his attorney, all sessions of the hearing unless excused by the Trial Board, and shall be entitled to:

1. Be represented by counsel at all stages of the hearing at his own expense.
2. Subpoena witnesses in his behalf and examine such witnesses.
3. Cross-examine all witnesses adverse to him.
4. Present such affidavits, documents, exhibits and other such evidence as the Trial Board or the Hearing Officer deem pertinent to the charges.
5. Argue his case, either personally or by his counsel.

6. If the defendant does not testify on his own behalf, he may be called and examined as if under cross-examination. Refusal of the defendant to submit to examination for the purpose of answering relevant questions shall be grounds for dismissing the appeal and finding the accused employee guilty as charged.

16.05 Subpoenas. Before the hearing has commenced, the City Clerk shall issue subpoenas and subpoenas duces tecum at the request of any party for attendance or production of documents at the hearing. Subpoenas duces tecum shall be in compliance with the provisions of Section 1985 of the Code of Civil Procedure. After the hearing has commenced, the presiding officer of the Trial Board or the Hearing Officer, if one has been appointed, may issue subpoenas and subpoenas duces tecum.

16.06 Evidence at the Hearing. The hearing need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in a court. Oral testimony shall be given only under oath or affirmation. Copies of reports or records of any governmental agency, division or bureau shall be accepted as evidence in lieu of the original thereof.

16.07 Exclusion of Witnesses. The Civil Service Board, sitting as a Trial Board, may, in its discretion, exclude witnesses not under examination. Persons not to be excluded are: the defendant, his counsel, the complainant or his representative, and the City Attorney or his representative. When hearing testimony of scandalous, immoral or indecent conduct, the Trial Board may exclude all persons not having a direct interest in the hearing.

16.08 Burden of Proof. The burden of proof shall be on the complainant in all

disciplinary hearings.

16.09 Cross-Examination of Defendant. The defendant may be required to testify and answer any relevant questions, and may be cross-examined as to any matter relevant to the charge or charges if he takes the stand voluntarily.

16.10 Conduct of Hearing. The Trial Board or Hearing Officer shall regulate the conduct of hearings so that the same will not be unnecessarily prolonged, and may confine witnesses in their testimony to the material matters under consideration, may refuse to hear cumulative testimony, and will administer the oath or affirmation to witnesses.

16.11 Power of Contempt. If any person in proceedings before the Trial Board disobeys or resists any lawful order, or refuses to respond to a subpoena, or refuses to take the oath or affirmation as a witness or thereafter refuses to be examined, or is guilty of misconduct during a hearing or so near the place thereof as to obstruct the proceedings, the Board shall certify the facts to the Superior Court in and for the county where the proceedings are being held upon an order to show cause why he should not be punished for contempt. The order and a copy of the certified statement shall be served on the person. Thereafter, the court shall have jurisdiction of the contempt matter.

16.12 Reinstatement if Charges Not Sustained. If upon hearing of the charges it is the judgment of the Trial Board that the charges are not supported by the weight of evidence and by substantial evidence presented before such Board, the Board shall disapprove and reject the disciplinary action taken. In this event, the employee shall be reinstated and restored, and shall be entitled to receive compensation during the period of his suspension pending such hearing and reinstatement.

16.13 Authority of Trial Board if Charges Sustained. If upon such hearing it is the

judgment of the Trial Board that the charges are supported by the weight of evidence and by substantial evidence presented before such Board, the Board shall approve and sustain the disciplinary action or inflict such other disciplinary action upon such employee as in the judgment of the Board shall be suitable.

16.14 Findings and Decision.

1. Written findings supporting the decision of the Trial Board are required.

The Board may direct the City Attorney to prepare findings, which shall be signed by the Board. Findings may be waived by consent in writing filed with the Board, or by oral consent in open hearing, entered in the minutes, and shall be deemed waived by an accused employee by failure of the accused employee or his counsel to appear at the hearing. Where findings are required, they shall fairly disclose the Trial Board's determination of all issues of fact in the case.

2. The decision of the Board shall be rendered within fifteen (15) working days from the date of closing of the hearing. The decision shall be mailed promptly to the accused, or delivered to him personally, and shall be delivered to the complainant without delay. The decision of the Trial Board shall be final, and shall forthwith be enforced by the appropriate City authorities.

16.15 Appeal and Transcript. Judicial review may be had by filing a petition for a writ of mandate in accordance with the provisions of the Code of Civil Procedure. Any such petition shall be filed within thirty (30) days after the preparation of the transcript and record. The petitioner must request preparation of the transcript and record, and must deposit the estimated fee with

the City for such preparation within thirty (30) days after notice of the decision by the Trial Board. The petitioner shall pay the costs of the preparation of the transcript and record.
