Counts are based on UCR (Uniform Crime Reporting) methods and can not be compared to counts based on other reporting methods. UCR counts exclude unfounded incidents. Counts are subject to change due to late entry or updated information. Clearances are counted when the clearance occurred and may include clearances for incidents counted in a previous month. \* Population based on Maricopa Association of Governments estimates for July 1.

\*\* Index Rate equals the number of crimes per 1000 persons.

POPULATION ESTIMATE UPDATED TO 35805 STARTING WITH JULY 2021.

<sup>1</sup> Includes adult and juvenile arrests, long forms, and referrals. Arrests and Cite & Release are based on booking number. Citations are based on citation number.

Warrant Arrests include those booked by and those turned over to other agencies.

<sup>2</sup> Prior to January 2015, response time information was listed as "Travel Time" which is the time from "officer en-route" to "officer on-scene". Starting January 2015, a traditional response time definition will be used: the amount of time from call accept in communications until officer on-scene.

<sup>3</sup> "Change from 2020" is not available. As of January 1, 2021, arrest counts are obtained through the IBR submission report which can not be compared to other sources.

POPULATION ESTIMATE UPDATED TO 35805 STARTING WITH JULY 2021.
