Thank you for contacting the Retirement Office with your inquiry regarding the Reciprocal Retirement Act. I have enclosed a copy of Public Act 88 of 1961 for your records.

If you wish to have your service credited from another reciprocal retirement system to vest with the City of Lansing, you must send verification of your previous service time. You may submit a letter from another reciprocal retirement system that includes your dates of service, amount of service credits, and that you were a member of the retirement system. This document should be on official letterhead, signed by the system's representative, and state that the system is a reciprocal unit as defined in Public Act 88.

Please contact the Retirement Office at (517) 483-4508, if you have any further questions.

Sincerely,

Karen Williams
