DISTRICT 1 COMMUNITY MEETING

December 20, 2023

GO BOND PROJECTS- 163RD AVE IMPROVEMENTS

Multiple road improvement projects along 163rd Avenue in north Surprise were identified in the City's five-year Construction Improvement Plan (CIP) and the 2023 GO Bond Election.

Project Segments:

- 163rd Avenue from Grand Avenue to Happy Valley Road
- 163rd Avenue from Happy Valley Road to Desert Moon Way
- 163rd Avenue & Jomax Road intersection (Phase 2)

Project Scope:

- Widening 163rd Ave. from US60 to Jomax Rd
- Traffic Signal Improvements

GO BOND PROJECTS- 163RD AVE IMPROVEMENTS

- The project segments will be combined - “163rd Avenue Road Improvement Project”
- Projects will be completed contiguously:
 - Help expedite construction and project management
 - Minimize the traffic interruptions

Estimated Timeline

- Phase 1 -
 - 163rd Ave from US60 to Pat Tillman
 - Expedited construction of widening due to advancement of ADOT short-term improvements
 - 163rd Avenue and Happy Valley Road
 - Signal improvements
- Future Phasing
 - Selected based on numerous factors including safety, traffic congestion and current/future development along corridor

GO BOND PROJECTS- HAPPY VALLEY CORRIDOR

First phase Happy Valley Road Improvements

Scope

- Roadway widening from 163rd Ave to City Limits
- Traffic Safety Improvements (Signals, signage, etc.)
- Sidewalk, curb, gutters, streetlights, etc.
- Drainage Crossings

Project Milestones

- Design currently underway
- FY 26-27 Coordination with development/State Land/County
- FY 28 Construction
