

# COLUMBIA MASSACHUSETTS ARSENAL OFFICE PROPERTIES LLC

## INVITES YOU TO VIRTUAL COMMUNITY INFORMATION MEETING

Dear Community Member:

Please join Columbia Massachusetts Arsenal Office Properties LLC for a review and discussion of conceptual plans and details for an additional lab/office building at the LINX campus, 490 Arsenal Way. The proposal will add an additional research building to a vibrant campus with publicly accessible open space, and includes enhancements to community path connections.

Plans of the proposed development will be available online on the City of Watertown's website prior to the meeting.

We will be hosting an interactive meeting on Thursday, August 25, 2022 at 6:30 PM, and hope you will be able to join us for the presentation, and look forward to your comments.

For ease of access, the meeting will be conducted virtually via Zoom. Just prior to the start of the meeting, please access the link below to join via computer or mobile device. You may be instructed to download the Zoom application. The project team will also attempt to secure a live broadcast spot with local cable access TV. If no spot available, the project team will make the recording available through local cable access TV for on demand viewing.
