

Plano Public Library

Udemy

Expert-led video courses in software, creative, and business skills

PLANOLIBRARY.ORG

Description

Learn and improve skills across business, tech, design, and more. Includes 10,000+ on-demand video courses in multiple languages.

Requirements

- Plano Public Library Card
- Internet access

Accessing Udemy

1. Planolibrary.org, click on **Research & Learn**
2. Click on **Business & Career** icon
3. Click on **Udemy** icon
4. Click the **Sign In / Create a Udemy Account** button
5. Sign in with your chosen credentials. If this is your first visit, use the Sign up link

Using Udemy

- Enter your training topic in the Search box to see a list of classes
- Use direct links under the search box to reach specific topics
- Filter results based on ratings, duration, topic, level, language and other features

Getting Started

- Click the "Sign In / Create a Udemy Account" button
- Choose your method of registration ("Sign in with Google" or "Sign in with Microsoft"), or choose "Sign up" to use your email address and a password
- Click the link in the confirmation email
- Sign in at the Gale Presents: Udemy home page; Agree to the terms of use and confirm your birth year; Click "Create my Udemy Account"

Tips

- Make sure to login through Plano Public Library webpage
- Attempting to login at www.udemy.com will not work with your free account from Plano Public Library
- Schedule learning time on the "My Learning" page by creating customized Outlook calendar invites
