

# Prescription Drug Coverage

If you enroll in the City's medical plan, you will automatically receive prescription drug coverage through SouthernScripts, the City's pharmacy benefit manager. To view the prescription drug formulary, go to [southernscripts.net](https://southernscripts.net) then scroll down a little and enter the name of your medication to determine which prescription drug tier it is in. You may also refer to [plano.gov/benefits](https://plano.gov/benefits) for more information.

## Retail Pharmacy

The retail prescription program uses a network of participating pharmacies. To receive the highest level of benefits, you must use a participating pharmacy. When thinking about filling your maintenance medications, look for a First Choice Pharmacy where you can get a 3-month supply for the cost of a 2-month supply.

**Note:**  
*Walgreens can only dispense 1-month medication supplies.*

## Specialty Medications

When managing a serious health condition, the **CRx Specialty Pharmacy** can provide you with personalized support throughout the course of your treatment. Registered pharmacists and nurses are available 24/7 to help you understand your treatment regimen, discuss side effects, check for drug interactions, review lab results, manage your medication supply, and coordinate care with your physician.

## Variable Copay Program

This program utilizes manufacturer coupons to significantly reduce the cost of eligible medications for you and the City. Here's an example of how it works if you were to fill a 30-day supply of Humira:

**Example:**

**Retail Pharmacy Copay = \$100**

**Manufacturer Discount = (\$95)**

**Your Copay = \$5**

To see if your medication qualifies for a reduced copay, contact **CRx Specialty Solutions** at 877-646-1716, Monday-Friday, 8:00 a.m.-5:00 p.m. CST (24/7/365 on call emergency service available) or visit [crxspecialty.com](http://crxspecialty.com).
