The Developer's share will be 100% of the captured revenue (based on 75% of the value captured) from the Phase II Parcel. The obligation of the City to make such payments shall be a limited obligation payable solely from that portion of the Tax Increment Revenues (Developer's Share) payable to the Developer hereunder, whether or not actually deposited into the Phase II Developer's Project Cost Subaccount, and shall not constitute a general debt or obligation on the part of the City or a general obligation or charge against or pledge of the faith and credit or taxing power of the City, the State of Maine or any political subdivision thereof.

The City will provide the Developer with information that the Developer must include in all bid materials that the Developer provides to prospective contractors who may bid on the project to ensure that the wage requirements set forth in this section are met.

(c) Developer must provide evidence reasonably satisfactory to the City demonstrating that the Project was designed, constructed and rehabilitated in accordance with City's Green Building Code set forth in the Chapter 6, Article VII, of the Portland City Code.

Section 3.3. Failure to Make Payment. In the event the City should fail to, or be unable to, make any of the payments required under Section 3.1 hereof, the item or installment so unpaid shall continue from year-to-year, as a limited obligation of the City, under the terms and conditions hereinafter set forth, until the amount unpaid shall have been fully paid and the City agrees to pay the same with interest thereon at the rate equal to the interest rate per annum payable by owners of property in the City on Property Taxes that are not paid when due, but only from Tax Increment Revenues (Developer's Share) paid to the City by the Developer from time to time, and any earnings thereon, whether or not deposited into the Phase II Developer's Project Cost Subaccount of the Affordable Housing Development Program Fund. The City shall not suspend or discontinue any such payment or terminate this Agreement for any cause, including without limitation, any acts or circumstances that may constitute failure of consideration or frustration of purpose or any damage to or destruction of the Project or any change in the tax or other laws of the United States, the State of Maine or any political subdivision of either thereof.

Section 3.6. Limited Obligation. The City's obligations of payment hereunder shall be limited obligations of the City payable solely from monies on deposit in the Phase II Developer's Project Cost Subaccount and Affordable Housing Development Program Fund, and any earnings thereon, pledged therefor under this Agreement. The City's obligations hereunder shall not constitute a general debt or a general obligation or charge against or pledge of the faith and credit or taxing power of the City, the State of Maine, or of any municipality or political subdivision thereof, but shall be payable solely from that portion of the Tax Increment Revenues (Developer's Share) payable to the Developer hereunder, and any

earnings thereon, whether or not actually deposited into the Phase II Developer's Project Cost Subaccount. This Agreement shall not directly or indirectly or contingently obligate the City, the State of Maine, or any other municipality or political subdivision to levy or to pledge any form of taxation or to levy or to make any appropriation for their payment, excepting the City's obligation to levy Property Taxes upon the property in the District and the pledge of the Tax Increment Revenues (Developer's Share), and earnings thereon, established under this Agreement.

Provisions in applicable laws providing for bona fide occupational qualifications, business necessity, or age limitations will be adhered to by the developer and its contractors where appropriate. This policy shall not be construed to prohibit any employment action or policy which is required by federal law, rule or executive order.

ARTICLE IV: PLEDGE AND SECURITY INTEREST

Section 4.1. Pledge of Developer's Project Cost SubAccount. In consideration of this Agreement and other valuable consideration and for the purpose of securing payment of the amounts provided for hereunder to the Developer by the City, according to the terms and conditions contained herein, and in order to secure the performance and observance of all of the City's covenants and agreements contained herein, the City does hereby grant a security interest in and pledge to the Developer of the Phase II Developer's Project Cost Subaccount of the Affordable Housing Development Program Fund to the extent of Developer's rights under this Agreement to receive funds from the Phase II Developer's Project Cost Subaccount and all sums of money and other securities and investments now or hereafter therein.

The City shall, upon the reasonable request of the Developer, from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the provisions of this Agreement; provided, however, that no such instruments or actions shall pledge the credit of the City.

Section 4.4. No Disposition of Developer's Project Cost Subaccount. Except as permitted hereunder, the City shall not sell, lease, pledge, grant a security interest in, assign or otherwise dispose, encumber or hypothecate any interest in the Phase II Developer's Project Cost Subaccount of the Affordable Housing Development Program Fund and will promptly pay or cause to be discharged or make adequate provision to discharge any lien, charge or encumbrance on any part hereof not permitted hereby.

Section 4.5. Access to Books and Records. All books, records and documents in the possession of the City relating to the District, the Development Program, this Agreement and the monies, revenues and receipts on deposit or required to be deposited into the Phase II Developer's Project Cost Subaccount shall at all reasonable times be open to inspection by the Developer, its agents, lenders, designees and employees.

be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law, in equity or by statute. Delay or omission to insist upon the strict performance of any of the covenants and agreements herein set forth or to exercise any rights or remedies upon the occurrence of an Event of Default shall not impair any relinquishment for the future of the rights to insist upon and to enforce, from time to time and as often as may be deemed expedient, by injunction or other appropriate legal or equitable remedy, strict compliance by the City with all of the covenants and conditions hereof, or of the rights to exercise any such rights or remedies, if such Event of Default be continued or repeated.

Section 5.5. Disputes. The parties agree that in the event of any dispute or disagreement hereunder the City shall continue to make payment of all amounts due hereunder in the manner and at the times specified herein until final resolution of such dispute, whether by mutual agreement or final decision of a court, arbitrator or other dispute resolution mechanism. The City hereby waives any right to withhold, suspend or setoff payments during the pendency of any such dispute, this waiver being limited and expressly intended to affect only those rights necessarily related to or arising directly under the terms of this Agreement.

ARTICLE VI: EFFECTIVE DATE, TERM AND TERMINATION

Section 6.1. Effective Date and Term. This Agreement shall become effective upon its execution and delivery by the parties hereto and shall remain in full force from the date hereof for the entire term of this Agreement and shall expire upon the payment of all amounts due to the Developer hereunder and the performance of all obligations on the part of the City and the Developer hereunder.
