

WHAT IF...

1 What if severe flooding made the streets impassible?

For three days, you can't get out and no one can get to you.

You have no electricity and no water.

What would you need at home to get along for three days?

2 What if the flood is going to hit in a very short time?

A bus is waiting outside right now to take you to a safe shelter.

You don't know when you'll be able to return.

What would you need to take with you?
